Letters are sent home about issues like "lice" but nothing about altercations that happen in class or at recess. There is a big push on mental health, and it's difficult to talk to our kids about issues & concerns of things if we don't know about it.	3.8	★ ★ ★ ☆ ☆ (18 ♣) Ranked #14 of 43	5 ★ 4 ★ 3 ★ 2 ★ = 1 ★ =

Any conflicts that arise, especially racial, physical harm and bullying over social media and personal texts outside of school should not be tolerated For obvious reasons, these should be dealt with. But high park just makes the bullies apologize and the bullied also must too. What does that do?	3.7	★ ★ ★ ☆ ☆ (16 ♣) Ranked #18 of 43	5 * 4 * = 3 * 2 * = 1 * =
<b>Concerns I have is more to the political side</b> <b>and education budget cuts.</b> Smaller classes and adequate staff are vital to healthy and effective education	3.7	★ ★ ★ ☆ ☆ (11 ♣) Ranked #19 of 43	5 ★ 4 ★ 3 ★ 2 ★ 1 ★
We wish there was school sports offered for grade 5 and 6 It's important for these kids to feel like they are contributing to the school community. It would also encourage them to take part in older grades	3.6	★ ★ ★ ☆ ☆ (17 ♣) Ranked #20 of 43	5 ★ 4 ★ = 3 ★ 2 ★ = 1 ★

I think we should involve some of the older children who live near by to become crossing guards. The congestion of parking at the school leaves lots of blind spots when children are trying to cross the road, I have almost witnessed a few accidents	3.5	★ ★ ☆ ☆ ☆ (18 ♣) Ranked #23 of 43	5 ★ 4 ★ 3 ★ 2 ★ 1 ★

The methods in which the 'heads' of the school handle conflict amongst students is to take the path of least resistance. My child should feel safe at the school and that is not the case.	3.5	★ ★ ★ ☆ ☆ (17 ♣) Ranked #26 of 43	5 ★ 4 ★ 3 ★ 2 ★ 1 ★
Schools priorities are often on the children who force the classes to evacuate. No communication to parents about what is being done, or what happened My children often come home upset about being evacuated from their classes (which should be a safe place) And I had no idea it happened.	3.5	★ ★ ☆ ☆ ☆ (16 ♣) Ranked #27 of 43	5 ★ 4 ★ 3 ★ 2 ★ 1 ★

<b>Class sizes are way to big</b> It is impossible to think a teacher can individualize needs for 25- 35 students in every subject every day. It is the students that are/will suffer	3.5	★★★☆☆ (15 ▲) Ranked #28 of 43	5 ★ 4 ★ 3 ★ 2 ★ 1 ★
I appreciate our parent council and there continuous efforts to engage the school in fun activities and school fundraisers As a school community member I want to do what I can to help foster the best for our children. I don't like the marking system. I have no idea if my child needs help in different area of learning,	3.3	★ ★ ★ ☆ ☆ (17 ♣) Ranked #33 of 43	5 ★ 4 ★ 3 ★ 2 ★ 1 ★
I fear some kids are becoming aggressive I fear my kids may get bullied and no teacher notices because they are overwhelmed	3.2	★ ★ ☆ ☆ ☆ (17 ♣) Ranked #34 of 43	5 ★ 4 ★ 3 ★ 2 ★ 1 ★

Some of the teachers genuinely care for and strive to provide an exemplary education. Unfortunately, not all do. How can students respect their teacher when they are not given the same treatment?	3.2	★ ★ ★ ☆ ☆ (16 ♣) Ranked #35 of 43	5 <b>*</b> 4 <b>*</b> 3 <b>*</b> 2 <b>*</b> 1 <b>*</b>
Not enough EA support for the behaviour challenging children, which would allow the teacher to do their job and teach the remaining 25 kids. my child needs help in the class too, and the teachers are spending most of their time with the children with behaviour concerns.	3.2	★ ★ ☆ ☆ (6 ≗) Ranked #36 of 43	5 ★ 4 ★ 3 ★ 2 ★ 1 ★
I am concerned about the types of options offer to junior high. Finding things that keep kids interested in being in school and engaged with peers who have similar likes is paramount at this level	3.1	★ ★ ★ ☆ ☆ (8 ♣) Ranked #37 of 43	5 ★ 4 ★ 3 ★ 2 ★ 1 ★
I appreciate the high level of cooperation between teachers and Principles Having support for admin allows our teacher to do what they came to do and leave dealing with behavioral issues separate from learning.	3.1	★ ★ ★ ☆ ☆ (7 ♣) Ranked #38 of 43	5 ★ 4 ★ 3 ★ 2 ★ 1 ★
<b>Class sizes</b> It's unfortunate we have so many cross boundary kids in our school making the class sizes too big in small room	3.0	★★★☆☆ (9 ▲) Ranked #39 of 43	5 ★ 4 ★ 3 ★ 2 ★ 1 ★
I appreciate the new report card marking. I found last years reports ineffective in communicating where my children's individual strengths and areas for growth were.	2.9	★ ★ ☆ ☆ ☆ (10 ♣) Ranked #40 of 43	5 * 4 * 3 * 2 * 1 *
Students are resourceful with methods of bullying. Shouldn't head staff take an active role in watching or punishing the bullies? The bullies are often made to be quiet and submissive because staff do not offer the safety and support that is required.	2.9	★ ★ ☆ ☆ ☆ (7 ≗) Ranked #41 of 43	5 ★ 4 ★ 3 ★ 2 ★ 1 ★

I appreciate the lunch program, but it seems by the time my kids get their lunches (names close to last in alphabet) they don't have time to eat I want to continue to support this, but the food is wasted because my child gets sent out for recess & spends pm hungry.	2.8 ★★☆☆☆ (12 ▲) Ranked #42 of 43	5 ★ 4 ★ 4 ★ 4 ★ 4 ★ 4 ★ 4 ★ 4 ★ 4 ★ 4 ★
Mismatch between vision and current curriculum Curriculum is 30 (?) years old (developed prior to internet, social media, etc) yet vision is around thriving in 21st century world (global).	2.8 ★★☆☆☆ (10 ♣) Ranked #43 of 43	5 ★ 4 ★ 3 ★ 2 ★ 1 ★
I'm very concerned about class sizes. 28 kids in one class is far too many. What's worse, is that there are 2-3 'codes' kids included that shouldn't. Teachers spend too much time and stress dealing with 2 or 3 out of 28. 28 well adjusted kids would be too much of a work load as is.	0.0 A A A A A (0 a) Not enough ratings to rank	5 ★ 4 ★ 3 ★ 2 ★ 1 ★
The teachers and office staff have been doing a great job with the resources they have available. Our school system is stretched very thin with our current government's cutbacks.	0.0 ☆☆☆☆☆ (0 ♣) Not enough ratings to rank	5 ★ 4 ★ 3 ★ 2 ★ 1 ★
Negative events that happen in the class room are not communicated to the parents. Giving parents a chance to talk to their kids about it. events happen in the class room (not directly involving all the children) but indirectly it affects all who witness it. younger grades especially	3.2 ★★★☆☆ (4&) Not enough ratings to rank	5 ★ 4 ★ 3 ★ 2 ★ 1 ★
