

HIGH PARK SCHOOL PAL

November 2024

NEWSLETTER

Dear Parents,

We're excited to welcome you to this month's edition of our school newsletter! Every couple of months, we aim to provide you with updates, important events, and highlights from our school community.

This is an opportunity for us to keep you informed, and ensure that you stay connected to what's happening in and around our school regarding PAL's initiatives and events.

In this issue, you'll find information about upcoming events, key dates to remember, and ways you can get involved in our school activities.

We hope you find this newsletter helpful and engaging, and as always, we encourage your feedback and suggestions for future initiatives and editions.

Thank you for your continued support and for being an integral part of our school family.

To better show transparency in how funds are distributed through the school, below is a brief outline of what PAL has done these first few months of the 2024/2025 school year, as well as programs provided by PAL.

*Hot lunch is an undertaking and a half, this is 100% volunteers based and provided by PAL yearly for the students.

*The very successful Halloween dance was funded and organized by a PAL committee and ran by a generous amount of individual volunteers.

*The current scoreboard needs repairs to be operational; PAL has provided the funding for the school to get that repaired before basketball season gets started.

*The nutritional program donations are facilitated by PAL's hot lunch program.

* Funding provided for the sensory room upgrades and equipment.

* One of the big things on PAL's agenda right now is the inclusive park addition. This is completely separate in regards to funding and resources with fundraisers going on at the school.
